### **THANKSGIVING DAY MASS**

Thursday, November 23<sup>rd</sup> at 9 a.m.

*O God, when I have food,  
help me to remember the hungry;  
When I have work,  
help me to remember the jobless;  
When I have a home,  
help me to remember those  
who have no home at all;  
When I am without pain,  
help me to remember those who suffer.  
And remembering,  
help me to destroy my complacency;  
bestir my compassion,  
and be concerned enough to help;  
by word and deed  
those who cry out for what we take for granted.*

## ANNUAL PASTORAL APPEAL

Don't you just love this time of year? This week we will celebrate Thanksgiving. We will pause to count our blessings while reflecting on the many people that will be alone or will be without the basic necessities of life. On Thanksgiving Day, many of us will gather at the 9 a.m. Mass and take the time, as a church family, to give thanks. The collection Thanksgiving Day is donated to our local St. Vincent de Paul Society so they may continue to minister to the hundreds of people who pass through their office each month. For many of us it is hard to believe there are so many people in our community in need of assistance. I, for one, am very thankful to be a part of the team providing for these needs; to have the ability to contribute, in my small way. If you join us for Mass Thursday, remember the collection will go to St. Vincent de Paul. Oh, and if you are able, bring a few non-perishable items to help fill the pantry.

As for APA, thank you to all who have so generously given of their treasure. APA also helps provide for the many people in need of help. If you have not yet given, there is still time. We have until the end of December to raise our fair share. Please continue to pray for the success of our campaign as it is the source of comfort and care to so many people. God bless.

## GIVING TUESDAY

### Pinellas Hope

#GIVINGTUESDAY

The Tuesday after Thanksgiving has been designated as a day of giving. We are constantly exposed to advertising on tv, in the newspaper and on radio telling us to buy, buy, buy for the "holidays." Thanksgiving and Christmas should be about giving, but not just giving things. It should be about giving thanks, giving love, giving necessities to those in need and giving financially to those who help the needy, the underprivileged, the homeless.

We at St. John Vianney parish recently started a new outreach program to help feed the residents of Pinellas Hope. The people living there were homeless. They now have shelter; be it a tent or one of the small individual living quarters. They have agreed to work on rebuilding their lives, finding employment and abiding by the rules. Pinellas Hope is dependent on the community, the churches, the service organizations and other outreach groups to provide food for their residents. We have agreed to provide one dinner per month. You can help by making a donation on Giving Tuesday. The flier was in last week's bulletin and will again be in the bulletin next week. Thank you for your generous spirit. Please keep this project in your prayers as well. Oh, if you want to be part of the team that cooks and serves the food, contact Frank at the parish office.

## WHY DID JESUS FOLD THE NAPKIN

Christ Renews His Parish

Thanksgiving is Thursday and this is an interesting thought about the Gospel of John 20:7 where it says the napkin which was over Jesus' face was neatly folded and placed at the head of the stony coffin. After Mary Magdalene told Simon Peter and the other disciple someone took the body, they ran to the tomb and the other disciple stopped and looked in and saw the linen cloth lying there, but he didn't go in. Simon Peter also noticed the linen wrappings lying there while the cloth that covered Jesus' head was folded and lying to the side.

The importance of that is very significant, but you must understand a little about Hebrew tradition of that day. The folded napkin had to do with the Master and Servant tradition. After the servant set the table he waited, out of sight, until the master finished eating. The master would rise, wipe his fingers, mouth and beard and wad up the napkin and toss it on the table. The wadded napkin meant, "I'm finished..." But if the master got up, folded the napkin and laid it beside his plate, the servant would not dare touch the table because the folded napkin meant, "I'm coming back!"

The team of Christ Renews His Parish wishes you a blessed Thanksgiving!
